FAQ's

Photographs should be in color and strictly as per the specifications below.

- Taken against a light colored (WHITE/OFFWHITE Preferred) background so that features are distinguishable and in contrast against the background. Printed on photographic paper.
- Frame Subject with Full Face, Front view, Eyes open.
- Should show full face (without sunglasses and normally without a hat or cap). Head coverings are not permitted except for Religious reasons, but the facial features from bottom of chin to top of forehead and both edges of the face must be clearly shown.
- The face should be in the middle of the frame.
- Provide recent photographs (not more than 6 months old)
- Ensure no distracting shadows on the face or background. Un-mounted - 2 inch x 2 inch in size. - VISA applications only. (One copy for each application in most visa cases. Exceptions apply-please see details for same under your selected visa type)

Please Note:

There is one self-service Photo-booth available at each of our centres in Adelaide, Brisbane, Canberra, Melbourne, Perth and Sydney. The photo-booth is a self operating standard Adult photo facility and cannot be adjusted to assist with Infant, Children or Special Needs applicants' photographs.
